Bruce W. Thomas, Ed.D.
Superintendent of Schools

I am so glad you are here!

My name is Carly Willis and I am so excited to introduce myself as the new School Counselor for Albert Einstein Academy - Strongsville Campus! I was born and raised in a town just north of Dayton, OH where I attended Troy City Schools. I graduated from Bowling Green State University with a Bachelors of Science in Social Work and graduated from the University of Dayton with my Masters in School Counseling. My education and training are based on the American School Counselor's (ASCA) National Model and Strengths-Based School Counseling Framework.
Before becoming a school counselor, I worked as a mental/behavioral health therapist for youth ages three-eighteen and am excited to transition into the school setting! I have a burning passion to advocate for our youth by inspiring, motivating and empowering them to reach their fullest potential in life-academically, socially, emotionally, and in becoming ready to transition to life beyond K-12.
In my free time, I enjoy traveling and spending time with friends and family!

I am thrilled to start 2020-2021 school year off with the Albert Einstein Academy community. I can't wait to see what we accomplish together! Please do not hesitate to reach out with any questions. My door is always open!
